Objective

Recent Social Work graduate from Zimbabwe Ezekiel Guti University with a strong passion for child protection, education support, and community development. Experienced in community outreach, awareness campaigns, and academic research. Highly motivated, organized, and eager to gain practical experience in education programming while contributing meaningfully to vulnerable children and communities.

Experience

Founder & Social Work Practitioner
2022 - Present
Rescue Foundation Trust (NGO)
Founded and currently manage a community-based organization dedicated to supporting the welfare of women and children. Provide basic counseling and psychosocial support to vulnerable clients, conduct community awareness sessions on child protection and women's welfare, maintain case records and documentation of activities, and facilitate referrals to relevant health and social services when needed.

Social Work Intern
2022 - 2023
Sweet Valley Club
During my supervised internship, I assisted in child welfare and development activities, including conducting social assessments, supporting counseling sessions, and facilitating group activities for children. I helped maintain case records and documentation and applied social work theories and methods in practical, community-based settings under professional supervision.
